**OTHER**

Ms. Dunkle said she had received an email from Nathan Stalvey, the Director of the Clarke County Historical Association, who would like to construct a new sign in front of their office and museum on East Main Street. She said she requested that he forward a narrative and whatever photographs he has of

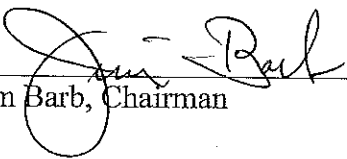

the existing sign to move forward with the concept. She read through the proposed changes and distributed a photo of the existing sign and the CCHA's logo to ARB members. There was a discussion about the colors of the FISH and Help With Housing signs to the east of the CCHA property. Ms. Dunkle said that Mr. Stalvey said the sign company was working on a drawing of the proposed sign which should be completed in the next week. Chair Barb suggested that staff contact Mr. Stalvey and have him forward the drawing for distribution to members and an administrative approval. Mr. Williamson made that motion, seconded by Ms. Worsley. The motion passed by voice vote.

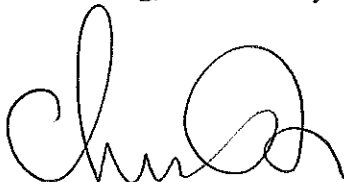

Ms. Dunkle said she had emailed the man who is installing the new window sashes at 1 West Main Street to get an update on the installation. She read his response to Board members which indicated that the factory had been closed for two weeks over the holidays and that he anticipated receiving the product by January 14 with installation by January 18, 2016.
