BERRYVILLE TOWN COUNCIL POLICE & SECURITY COMMITTEE
MOTION TO FORWARD REVISION OF CHAPTER 8 OF THE TOWN CODE

Date: August 4, 2016

Motion By:

Second By:

I move that the Police and Security Committee forward the revised Chapter 8 of the Town Code to legal counsel for review, and following review by counsel, that it be forwarded to the Town Council for consideration.

Attachment 2

Parking Meters and handicap parking permits

It has been suggested that the Town place stickers on their parking meters informing handicapped motorists of their responsibilities regarding paying parking meter fees and meeting two-hour parking limits.

This matter is addressed in Section 10-70 of the Berryville Code (attached). At present, no relaxation of parking standards exists for handicapped motorist but as a practice the Berryville Police Department does not ticket vehicles for overtime parking if a handicap placard is displayed.

Staff will provide an amended version of Section 10-70 at the Committee meeting for review. A recommendation regarding amendment of the Berryville Code could also include the matter of posting the newly established standards on the parking meters.

Sec. 10-70. - Deposit of coin money required; overtime parking.

- (a) When any vehicle shall be parked in any parking space adjacent to a parking meter installed under this division, the operator of such vehicle shall, upon entering such parking space, immediately deposit, or cause to be deposited, in such parking meter, a coin or coins money of the United States, the denominations of which shall be indicated on the meter, which shall put such meter in operation for the time prescribed on the meter. Failure to so deposit such coin or coins money and to put the meter in operation, the parking space may be lawfully occupied by such vehicle during the period of time prescribed for the particular amount deposited shall constitute a violation of this section. If such vehicle shall remain in such parking space beyond the prescribed time limit for the particular amount deposited, and the parking meter shall indicate illegal parking, violation, or expired, such vehicle shall be considered as being parked overtime and beyond the prescribed period of legal parking time. It shall be unlawful for any person to cause, allow, permit, or suffer any vehicle owned or operate by him to be parked overtime or beyond the period of legal parking time in any parking meter zone established under this division.
- (b) In the event a vehicle parked overtime in violation of this section remains so parked overtime in the same space for more than one hour, each additional hour, or fraction thereof, during which the vehicle is so parked shall constitute a separate violation.
- (c) The provisions of this section shall be in effect from 8:00 a.m. to 5:00 p.m. of each day, except Saturdays, Sundays and holidays observed by the town government.

(Code 1971, §§ 11-49, 11-51, 11-55, 11-56; Ord. of 7-9-74; Ord. of 12-12-78; Ord. of 2-5-91; Ord. of 12-9-14(2))

Editor's note— An ordinance adopted Dec. 9, 2014, changed the title of § 10-70 from "Deposit of coin required; overtime parking" to read as herein set out.

When traveling, it is often difficult for motorists to know how the community supports those with physical handicaps. Most communities offer free parking and extended parking times.

The parking meters in Berryville do not include signs to inform handicap motorists of their rights and exceptions. As a courtesy to handicapped motorists, a notice on each meter would resolve this issue.

Attachment 3

Purchase of a Police Vehicle

The approved FY 17 budget provides for the purchase of a police vehicle. The budgeted amount for this item is \$43,530.

The quote secured for the purchase places the cost of the vehicle at 46,493 (quote attached).

Staff requests that the Committee recommend to the Town Council authorize the use of up to \$3,000 from General Fund Contingency to make up the short fall.
