### Background/History/General Information

There are several board appointments that expire at the end of May (McFillen) or June (Reid, Mathur). These include the following:

Architectural Review Board: Robin McFillen

All of those referenced above have been contacted by staff and are willing to serve another term on their respective boards.

Jim Barb, whose term also expires at the end of June, does not wish to be reappointed. Jim was a founding member of the ARB. Staff is drafting a resolution to review at the meeting.

Other annual appointments that should be discussed are the Barns of Rose Hill; Northern Shenandoah Valley Regional Commission; and Berryville Main Street.
